This is the third installment in the thrilling, action-packed Lorien Legacies series that launched with the #1 New York Times bestsellers I AM NUMBER FOUR and THE POWER OF SIX (and a major motion picture from Dreamworks!), and the stakes are higher than ever as John, Number Six, and Number Seven desperately try to find the rest of the Lorien Nine before it's too late. In the beginning they were a group of nine. Nine aliens who left their home planet of Lorien when it fell under attack by the evil Mogadorians, who scattered on Earth and went into hiding, who look like ordinary teenagers, but who have extraordinary skills. The Mogadorians killed Number One, Number Two, and Number Three. They tried to kill Number Four, John Smith ...and failed. During the dangerous mission in the catacombs of the Mogadorian caves at the end of THE POWER OF SIX, John rescues Number Nine. Now, in order to face the Mogadorians who are relentlessly pursuing them, John and Nine must join forces with Six and Seven who have been fighting the Mogadorians in Spain and who are trying to find Number 8 in India. But how? Only Sam knew the secret location where they were all supposed to meet...and he didn't escape the Mogadorian stronghold. John and Nine must find a way to reunite with Six and Seven and discover the other remaining LORIENS to have any hope of winning or surviving. Quatrième de couverture

Until the day I met John Smith, Number Four, I'd been on the run alone, hiding and fighting to stay alive. Together, we are much more powerful. But it could only last so long before we had to separate to find the others. . . I went to Spain to find Seven, and I found even more, including a tenth member of the Garde who escaped from Lorien alive. Ella is younger than the rest of us, but just as brave. Now we're looking for the others—including John. But so are they. They caught Number One in Malaysia. Number Two in England.

And Number Three in Kenya.

They caught me in New York—but I escaped.

I am Number Six.

They want to finish what they started.

But they'll have to fight us first.
