Decoy Worm 17 KG High Power Offset Worm Hooks Size 2 (8009) From Decoy

Decoy KG High Power Offset Worm 17 Hook

The KG High power is the bigger brother of the SS finesse hooks. The KG high power has a thicker gauge which is required if you are throwing Swimbaits, Carolina and Texas rigs for big pike. Ideally suited for fishing in and around structure and weed. The hook is finished in black nickel to avoid unwanted reflection.

Made in Japan.
