1. Giddy-Up Winnie Winnie the Witch has many talents! In 'Winnie's Wheels' she magics an old wreck of a car to take herself and Wilbur on holiday and demonstrates some rather unconventional driving skills; in 'Blooming Winnie' she summons the help of the ghost of Great Aunt Winifred in order to control a class of unruly children who have come to see her garden; in 'Winnie's Tea Party' Winnie is playing hostess and showing off her culinary repertoire to her oddball relatives; and in 'Giddy-Up, Winnie!' Winnie and Wilbur head for the local race meeting on a homemade hobby horse - with hilarious results. Four crazily funny stories featuring everyone's favourite witch, her big black cat, Wilbur, and a supporting cast of zany new characters. Korky Paul's exuberant black line illustrations complement the humour, slapstick, and moments of real drama that run through each story. Pure magic! The 'Winnie the Witch' series has sold over two million copies worldwide and has been translated into over twenty languages.?
