In 1912, a 19-year-old entrepreneur named Georges Monin started out selling branded wine and spirits with a horse-drawn cart with the slogan, "A passion for quality". The company he founded has since been driven by this motto.

Quality remains a keystone in the entire production process. The finest ingredients are sourced from around the world to assure authentic taste and aroma. Plus, state-of-the-art technology is used to develop new products and applications. Always ahead of its time, Monin has created a reputation as the creative beverage.

Using only natural ingredients, Monin's range of fruity tea syrups delivers mouth-filling aromatic flavours which are nature's own.

This intense fruit flavours packs a powerful fruity punch and marries perfectly with the naturally astringent, smoky taste of black tea to create authentic, refreshing iced teas. Make time for Monin Teas!
