Paul Preston

La Guerra Civil Espanola / A Concise History of the Spanish Civil War (Ensayo Historia / History Essay) Paul Preston

"La guerra civil" de Paul Preston es uno de los textos de referencia sobre el conflicto que asolo Espana entre 1936 y 1939 y marco el resto del siglo XX.

Ahora, cuando se cumplen ochenta anos del golpe de estado que desencadeno la guerra, Preston, uno de los hispanistas de mayor prestigio internacional, actualiza y amplia su estudio incorporando tanto las ultimas investigaciones y polemicas historiograficas como abundante material inedito.

Imprescindible para conocer la violenta realidad que asolo Espana, este libro contribuye a conservar un relato comun de aquella tragedia colectiva, algo esencial para el ejercicio cotidiano de la democracia.

ENGLISH DESCRIPTION

The definitive work on the Spanish Civil War, a classic of modern historical scholarship and a masterful narrative.

Paul Preston is the world's foremost historian of Spain. This surging history recounts the struggles of the 1936 war in which more than 3,000 Americans took up arms. Tracking the emergence of Francisco Franco's brutal (and, ultimately, extraordinarily durable) fascist dictatorship, Preston assesses the ways in which the Spanish Civil War presaged the Second World War that ensued so rapidly after it.

The attempted social revolution in Spain awakened progressive hopes during the Depression, but the conflict quickly escalated into a new and horrific form of warfare. As Preston shows, the unprecedented levels of brutality were burned into the American consciousness as never before by the revolutionary war reporting of Ernest Hemingway, John Dos Passos, Herbert Matthews, Vincent Sheean, Louis Fischer, and many others. Completely revised, including previously unseen material on Franco's treatment of women in wartime prisons, The Spanish Civil War is a classic work on this pivotal epoch in the twentieth century.
